

Brook Glenn Elementary

2003 East Lee Road

Taylors, SC 29687

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Bernice M. Jackson
Enrollment:	449 students	Superintendent:	Mr. W. Burke Royster
School Phone:	864-355-4701	Board Chair:	Mrs. Lisa Wells
School Website:	http://www.greenville.k12.sc.us/bglenn/		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

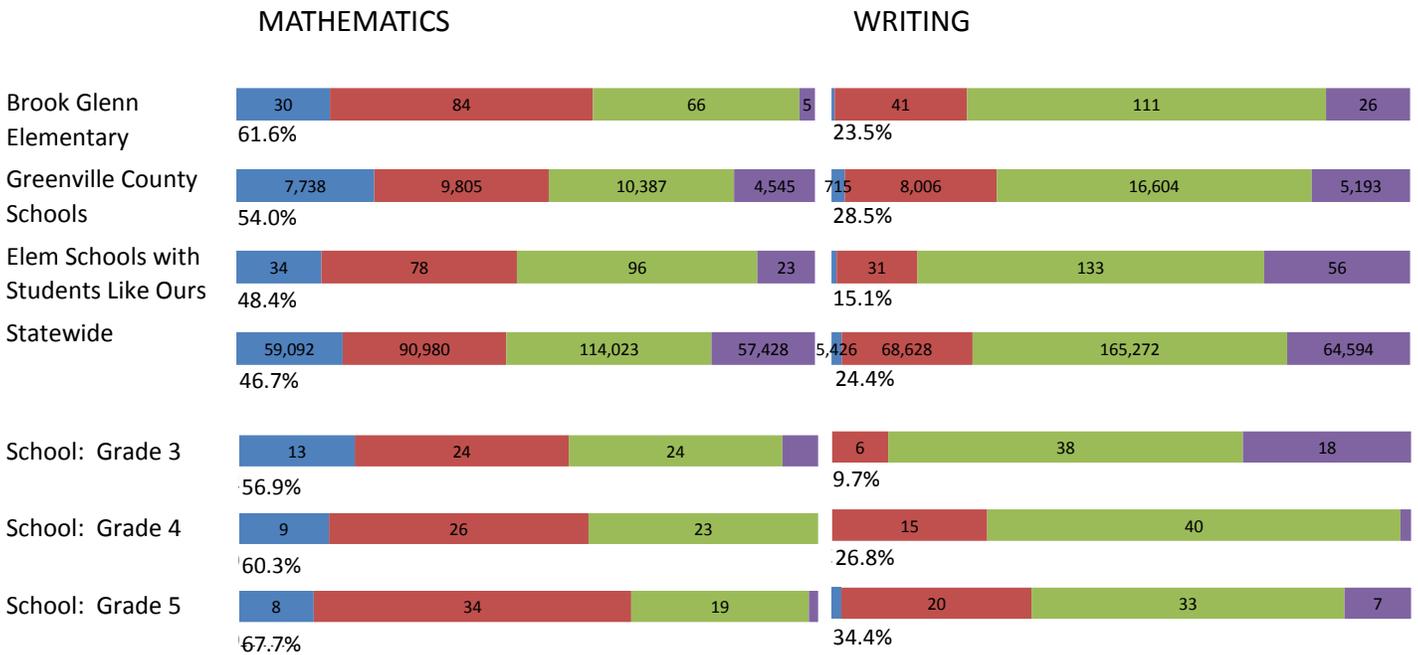

Brook Glenn Elementary, a small student-centered and community school, is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment. We proudly serve a diverse population of pre-kindergarten to fifth grade learners who come to us from different backgrounds. Our teachers are highly qualified and dedicated; and our students are diligent. A variety of best-practice instructional programs and partnerships are cultivated by Brook Glenn's teaching staff who utilize standards, monitor, and analyze informed data to improve student performance and ensure student attainment of standards. Frequent checks for understanding, remediation, running records, benchmarking, and common formative and summative tests are used. Students collaborate in cooperative learning teams on classroom projects and assignments. Tutorial partnerships have been established with local colleges, Eastside High School, North Hills Community Church (SCORE); Sigma Pi Phi Fraternity which mentors 4th and 5th grade males, St. Augustine Literacy Program, and retirees. Balanced Literacy, Response to Intervention (RTL), and inclusion are parts of our instructional program. Our teachers participate in professional developments such as Upstate Writing, Notebooking, and technology integration. Students engage in Student Council, Art Club, Newspaper Club, Mileage Club, Safety Patrols, and Dancing Divas to enhance leadership, teamwork, and self-esteem. Computer and laptop labs, Interactive Promethean boards, Nooks, Activotes, and wireless Internet access enable our students to build and enhance skills needed to be productive members of the global community. All classrooms are equipped with computers and laptops. The integration of these technology tools accelerates, clarifies, and expands students' understanding of world cultures and international issues, as well as prepares them to succeed in a global community. Our students learn to use technology to process knowledge, communicate, collaborate, create, write, and conduct research – truly world class skills. Brook Glenn acknowledges our responsibility to help our students connect learning with real life and provide them with the necessary skills to prepare them for success. Franklin D. Roosevelt once said, "We cannot build the future for our youth-but we can build our youth for the future." Bernice M. Jackson, Principal

James Selph, SIC Chairperson

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
