

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

East North Street Academy enriches students in Math, Science, Technology and Environmental Studies. We have two state-of-the-art science labs and an outdoor classroom which help us focus on the study of animals, complete science experiments and teach our students gardening. Additionally, we enrich our Reading and Mathematics programs through a specialized curriculum in both our reading and mathematics labs. We maintain a safe and nurturing environment while maintaining academic excellence through Project-Based Learning in Science, Language Arts and Social Studies. This rigorous curriculum of Project-Based Learning will provide unlimited opportunities for the futures of our students. Our school meets state and federal expectations through the SC state assessments and standards with highly qualified and competent teachers. Our community support is provided through our SIC in partnership with our parents, local business partners, and our neighborhood community. With these amenities our students are afforded an environment where they can truly thrive and succeed. Our school tagline describes the goal of East North Street Academy, "Where Inquiry and Achievement All Add Up." Jake Patton, SIC Chair Dawn Hooker, Principal
