PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

The administration, teachers, and staff at Baptist Hill High School continue to work diligently towards the success of all students. This school year has been a challenging one. Although we have continued to make significant gains, there is still a need for improvement in the following areas: standardized test scores; attendance; and parental, business and community involvement.

Although the renovation and additions to Baptist Hill High School continue to be a challenge, we welcome the much-needed changes. In addition to the progress toward improving the physical plant, we are moving rapidly to continue improvement in student achievement by implementing the following:

* Partnership with Johns Hopkins University
* Year-long English and Math for grades 9 and 10
* Ninth Grade Academy
* Business and Finance Academy
* Saturday Workshops: Exit Exam, SAT, Make-UP Assignments
* Homework Center
* Health Academy

Additionally, our teachers and staff will continue to utilize staff development opportunities to stay abreast of current educational practices.
