South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Donaldson Career Center is helping all students develop the world class skills and life career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring and academically challenging learning environment through our specialized career preparation programs. Our school's motto, "Learn Today to Earn Tomorrow!", is the foundation upon which our teaching and learning environment is built in order to successfully prepare our students for college and/or careers. Our teachers use a variety of teaching strategies that involve experiences inside and outside the classroom. These strategies include project based learning, hands-on labs, integration of technology, guest speakers, job shadowing and internships. As a result of these strategies our students have achieved much during the 2014-2015 school year. Several of our students received medals in the SC SkillsUSA competition in March including two first place winners in Diesel Equipment Technology and First Aid/CPR. Three Welding students were the first in the district's history to achieve AWS certification in Welding. The Nail Tech and Cosmetology programs accomplished 100% passage rate on their State Board practical exams and several Automotive Technology students earned their ASE industry certifications. We prepare our students for study at the post-secondary level and for immediate employment by partnering successfully with local businesses, industry, and organizations. These partners provide authentic learning experiences to our students through opportunities such as career fairs, cooperative learning and field trips. We currently have a 99% placement rate with every student that completes a program at our school. We are very thankful for the support of parents, businesses and community members that make our school great! Cassina L. Allen, Director LaTonia Moore, SIC Chairperson

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
N/A	N/A	N/A	N/A	N/A

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
