Please explain how these funds will be used to provide a public benefit:

Fuller Normal Industrial Institute, in partnership with the Emma Wright Fuller Foundation, is serving some of the most vulnerable students in Greenville County, South Carolina – many of which come from single parent households near or below the poverty line. The Emma Wright Fuller Foundation is partnering with Fuller Normal to provide students with the opportunity to take control of their futures and thrive academically despite personal adversity and significant life stressors. The Emma Wright Fuller Foundation seeks to position students for academic success through hands-on, project-based, student-centered, community-integrated curricula grounded in the core values of creative learning, peer leadership, and social responsibility. The primary way the Emma Wright Fuller foundation will accomplish these objectives is through the LEAP Program - (Learning, Enrichment, Achievement, and Performance). The LEAP After Care program will operate Monday through Thursday, 2:30p.m. – 5:30p.m. September 2024 through July 2025 The LEAP school program will provide approximately three hours of instructional and enrichment programming four days a week (Monday through Thursday) for 12 hours per week, along with periodic field trips on Fridays or Saturdays, and evening hours for parents and adults. The LEAP in-school program will operate Monday through Thursday, 9 a.m. - 1 p.m. The program will provide 2 to 4 hours of intensive learning and programming four days a week (Monday through Thursday) for 16 hours per week over a four-week period, along with at least one career mentor presentation per month, and one evening activity for families. We believe every student has genius in their makeup with a positive contribution to offer and should be supported on their journey to find and tap into their area of brilliance and greatest potential.
