2025-2026 Archibald Rutledge Scholarship Theatre Application

The South Carolina Department of Education (SCDE) announces the Archibald Rutledge Scholarship Program for 2025-2026. This program offers twelfth-grade students the opportunity to compete for scholarships in creative writing, dance, music, theatre, or visual arts. The purpose of the competition is to encourage and recognize academic and artistic excellence.

Eligibility: Twelfth-grade students (graduating in the spring of 2026) enrolled in public schools are eligible to participate in the scholarship competition. Students receiving the scholarships must be U.S. citizens who have attended South Carolina public schools for the past two consecutive years. The scholarships may be used for tuition, campus room/board, and instructional resource expenses at any South Carolina college or university. A student may only apply for a scholarship in one of the five areas.

Maximum Number of Theatre Entries per School:

1-100 students = 1 entry	**301-400 students = 4 entries**	**601-700 students = 7 entries**
101-200 students = 2 entries	**400-500 students = 5 entries**	**701-800 students = 8 entries**
201-300 students = 3 entries	**501-600 students = 6 entries**	**801-900 students = 9 entries**

Classification: An entry is defined as an original one-act script with a runtime of eight to fifteen minutes.

Entries: Applicants must submit an original script, reflection statement, process folio, and submission checklist.

Script: The product should be an original work created by the applicant and should be a high-quality, final draft of the script. The submission will be used to evaluate the entry.

Reflection Statement: The reflection statement should address, in the artist's own words, the intent of the script and compare the final product with the original concept. The reflection statement should be double-spaced and consist of no more than one page.

Process Folio: The process folio should contain documentation of the planning and development of the script from the inception of the idea to the final product. The process folio may include support materials such as drafts, notes from dialogues with peers and/or teachers, research, inspirations, interviews, pictures, drawings, and/or events upon which the script is based.

Submission Checklist: Applicants must submit a signed checklist (attached below) indicating that they have submitted all required material to be considered for the competition.

Scripts created in collaboration with others are not eligible for this competition. All work should be submitted in 8.5" x 11" format. The applicant must write all scripts. Students may want to read about how to write a ten-minute play by going to 10-Minute-Plays.com at http://www.10-minute-plays.com/.

Note: **If requested,** submissions mailed to SCDE will be returned to the applicant by June 15, 2026. Entries will also be available for pick up at the SCDE (call 803-734-3461 for arrangements). An entry not claimed by the applicant by June 15, 2026, will become the property of the SCDE. Incomplete applications will not be scored. If minimum scores are not obtained, a scholarship will not be awarded.

Selection Criteria: Scripts will be scored based on criteria in this section. The script and process folio each count as 50 percent of the total score. The judges will consider the following when evaluating your work:

- **Organization—**Easy to read, neat, and understandable with a clear beginning, middle, and end.
- **Content/Originality—**Use of innovative treatments, styles, and genres.
- **Quality of Expression—**Work expresses professional and emotional qualities that convey the script's intent.
- **Playability—**Provisions made to demonstrate how the work would be realized on stage.
- **Process Folio—**Provides detail about the writing process and any research, inspirations, drafts, interviews, pictures, drawings, and/or events serving as a basis for the writing. The process folio is not merely a preliminary draft of the script.
- **Reflection Statement**—Addresses the process of creating the script, how the script relates to the student, and the message or inspiration for the script. The reflection statement is scored with the process folio.

Awards: One Archibald Rutledge Theatre Scholarship of approximately $2,000 will be awarded to attend a South Carolina college or university. Two alternates may also be selected. The scholarship awards will be determined from the pool of entries in each discipline. The scholarship recipient and alternates will be announced in May 2026.

Deadline: Monday, February 2, 2026. Entries submitted electronically or in-person must be received by 5:00 p.m. on the day of the deadline. Mailed entries must be postmarked on or before Monday, February 2, 2026. Use this link for electronic submissions: https://scde.formstack.com/forms/archibald_rutledge_scholarship
