RE: MTSS Gather and Grow Collaboratives

The Office of Instructional Supports will offer monthly professional learning opportunities (PLOs) for MTSS Coordinators and Leadership Teams starting in September 2025. These sessions, titled *MTSS Gather and Grow Collaboratives*, are designed to strengthen implementation of the Multi-Tiered System of Supports (MTSS) in districts and schools.

Each monthly collaborative will be held **virtually** from **9:00–11:00 a.m.** and will offer opportunities to engage with colleagues from across the state. Interested participants should **register** using this [link](#). A confirmation email will be sent to all registrants, including the virtual meeting link and session details.

Session dates for the 2025-2026 school year:

Sept. 11th, Oct. 23rd, Nov. 13th, Jan. 8th, Feb. 12th, and March 12th

The Office of Instructional Supports is excited to announce that Dr. Stephanie Stollar, a national expert in evidence-based reading instruction and MTSS, will be the guest speaker for the September 11th collaborative.
