RE: Webinar to Support the Elementary Bundling Guides for Science

The Office of Assessment and Standards Science Team is excited to announce the release of the Elementary Bundling Guides for Science. These new resources to support elementary teachers in their instructional planning can be found on the [Science Instructional Resources Webpage](#).

The Science Team will host a webinar focusing on bundling as an instructional strategy and an introduction to the new resource. The same webinar will be offered twice. Registrants who attend the live session can earn 1.5 hours of SCDE Activity Renewal Credit. Please only register for one of the webinar times.

- December 3, 2025, from 10:00 a.m.-11:30 a.m.
 - [December 3 Registration Form](#)
- December 11, 2025, from 3:00 p.m.-4:30 p.m.
 - [December 11 Registration Form](#)

The webinar will be recorded and posted to the Science Professional Learning Library Recordings on the [Science Professional Learning Opportunities Webpage](#).
