

Policy

CERTIFICATION OF PROFESSIONAL PERSONNEL

Code: **GBBAA** Issued: **12/10/76** Revised **4/8/92:4/9/97:**
6/14/06

Constitutional and Statutory Provisions:

The State Board of Education is charged with the responsibility of formulating and administering a system for the examination and certification of teachers. (See §§ 59-25-110 and 59-5-60(4), South Carolina Code.)

The Interstate Agreement on Qualification of Educational Personnel Act provides for a reciprocal agreement between South Carolina and other states with comparable certification standards for the qualification of educational personnel. (See §59-27-10, South Carolina Code.)

State Board Rule:

The State Board, recommends policies designed to formulate and administer a system for certifying teachers.

NASDTEC standards will be used in accrediting teacher education institutions. On an annual basis, the Board will review NASDTEC standards.
