REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

BJ Skelton Career Center is a National Blue Ribbon Lighthouse School of Excellence. This is quite an honor for our school.

BJ Skelton has served the high school students of Pickens County since 1965. Students from Daniel, Easley, Liberty, and Pickens High Schools attend the career center as part of their regularly scheduled classes in grades 9 through 12. During the 2007-2008 school year we served 1150 students.

The faculty, staff, parents, and community stakeholders at BJ Skelton Career Center are Committed to Excellence. The career center is accredited by the Southern Association of Colleges and Schools.

BJ Skelton Career Center is adding a new course work in Biomedical Sciences Technology this year. A grant of \$15,000 was received to offset the start up funding of this program. We are excited about this new offering and look forward to expanding our program offerings in this area.

The Machine Tool Technology program received a grant of \$25,000 from AdvanceSC to purchase a CNC Mill. A second grant was written and received for \$24,000 to purchase additional software training packages in this area.

Students at the career center continue to demonstrate their skill and leadership proficiencies through competitions and selections for state offices in their student professional organizations. In June students participated in the SkillsUSA competitions in Kansas City, Missouri. FFA students have won state competitions in Agronomy and Horse Judging competed at the national FFA convention in Indianapolis, Indiana in October.

We continue to meet accountability goals established by the SC Department of Education and Education Oversight Committee. The four main goals include:
-Skill proficiency in academic studies.
-Skill proficiency in technical studies.
-Student attainment of a high school diploma.
-Placement in postsecondary institution, military service or employment.

The citizens of Pickens County can be proud of the students and staff at BJ Skelton Career Center and can look forward to the future with confidence.
