District Superintendent's Report

The 2007-2008 school year was a banner year for Bamberg School District One! In the areas of academics, athletics, and the arts, our students, faculty, and staff exceeded our greatest expectations.

Innovative practices, such as virtual school classes for our 8th grade Honors Algebra, and Distance Learning disseminating from Bamberg-Ehrhardt High School, were new and extremely successful for our students. Our 123 senior graduates earned scholarships in excess of \$2,000,000. How proud we are of these young men and women!

We attribute the success of our students to dedicated and committed teachers, as well as school and district staff, working together for the betterment of the "whole" student. The implementation of a Credit Recovery and Attendance Recoupment Program for eligible students was instrumental in keeping many students in school and focused on obtaining their high school diplomas.

Curriculum Coordinators in the core subjects of English/Language Arts, Mathematics, and Science have been instrumental in assisting our teaching staff in the development of pacing guides that ensure all grade level standards were taught prior to PACT and/or HSAP testing. Working with teachers grades 5-K through 12 has been an awesome task, but these instructional leaders have met and overcome many challenges. We have every reason to believe that all of this hard work will be reflected in our PACT and HSAP scores for 2008.

READING FIRST at Richard Carroll Campus A and HIGH SCHOOLS THAT WORK are two successful initiatives that have been previously implemented in the district. These programs have served us well and will continue into the next school term.

Extracurricular activities are very important in Bamberg School District One. Our RED RAIDER Regiment Marching Band won the Class A State Championship for the first time in 20+ years, the Red Raider football team was runner-up for the Lower State Championship, the wrestling team and track team had members who qualified at the state level, and finally, the Red Raider baseball team capped off the year by winning its 14th State Championship, setting a national record for high school baseball teams, as well as a national record for baseball coaching legend, David Horton.

Where do we go from here? We feel that the only direction we can possibly accept is UP! Please feel free to visit us any time...at BSD1, the place to be!

Phyllis K. Schwarting, Superintendent
