REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Centerville Elementary School began another exciting year with a change in leadership by welcoming Mr. Kory Roberts as the new principal. The Centerville administration, faculty and staff have established a reputation as being an innovative school that is not afraid to think "outside the box" in order to meet the varying and unique needs of all students. By researching and studying assessment data, teachers and administrators collaborate and plan instructional programs that will enhance student achievement in all areas of the curriculum.

Our improvement plan addresses the needs of individual students and targets specific subgroups. For the past two years, due to our success with innovative practices and improved test scores, Centerville has been recognized for scoring a Good Absolute Rating on the state report card, closing the achievement gap, and meeting AYP. We continue to make progress toward the goals of the 2010 No Child Left Behind legislation. Additionally, we are proud to be a Flagship School of Promise, Palmetto Gold Award Recipient, and a Red Carpet School.

Centerville Elementary was nationally recognized in 2005-2006 as a Blue Ribbon Lighthouse School of Excellence. These schools serve as a beacon of exemplary achievements and contributions to ensure successful educational experiences for all children by shining a positive light on America's best schools and programs that work. A team of dedicated faculty members and students presented at the National Blue Ribbon Schools conference. This presentation focused on the successful programs and initiatives being implemented at Centerville to impact student achievement. Faculty members continue to present at local and state conferences and lead workshops that focus on improving student achievement and curriculum integration.

Centerville students have the opportunity to participate in many activities that reinforce learning standards. Some opportunities are in academic and creative problem solving competitions that include Lego Robotics, Odyssey of the Mind, Math Olympiads, Anderson County Spelling Bee, and the Lt. Governor's Writing Program. Centerville is also very fortunate to have a supportive PTO that works diligently to foster a closer relationship between the home and the school. Many parents spend hours giving of their time, energy, and resources to help Centerville achieve in all areas. Additionally, we are proud of our relationship with the businesses that partner with us in our efforts to produce quality, educated students. Our business partners are Papa John's Pizza, Anderson Eye Associates., Wachovia Bank/Westside Branch, Milliken Company, Kuk Sool Won of the Upstate, McDonald's, Sonic Drive-In, C. Dan Joyner, First Citizens Bank, and Carolina Mortgage, Inc.

The administration, faculty, and staff at Centerville, along with our PTO and business partners, work extremely hard to support each other as we strive to put every child in the winner's circle.
