REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Monaview Elementary School is to empower each student with the foundation needed to grow educationally and socially.

Monaview Elementary boasts a new state-of-the-art facility that provides students with optimal learning experiences through the integration of Technology, Literature, Science, Math, Movement, and the Arts. In addition to a challenging curriculum, Monaview teachers strive to make real-life connections for students and develop high interest lessons that reflect state standards. Students are also involved in extracurricular activities, such as the Reedy River Run, Blue Shoes Mile, Girl Scouts, Student Council, Safety Patrol, school store, in-house news crew, and post office. At Monaview, we make every effort to teach the whole child.

The School Leadership Team, in conjunction with the School Improvement Council, developed goals that build upon the district's Education Plan. Each year, we strive to increase student achievement in all areas of PACT. One focus at Monaview has been to increase parent involvement and community-based partnerships. This year, we have been fortunate to collaborate with Furman University, Grace Church, Greenville Literacy Association, North Greenville Rotary Club, Publix, Campbell Young Leaders, Kiwanis Terrific Kid Program, Palmetto Pride, The Peace Center for Performing Arts, and the Metropolitan Arts Council.

Monaview has much to celebrate! For the 2004 and 2006 school years, Monaview met Adequate Yearly Progress as determined by the federal No Child Left Act for improvement in test scores. Monaview was recognized by the State Department of Education as a Palmetto Silver Award winner for 2005. All teachers at our school are certified and considered highly qualified. Four teachers have become National Board Certified. Teachers have been trained in the use of Promethean Boards and utilize technology to enhance classroom instruction. Monaview's website has received numerous awards this year from local, state, and national organizations.

Monaview will continue to offer after-school tutoring, supplemental services, summer school acceleration, PACT Power Hour, and one-on-one tutoring for students who experience difficulties in the classroom. With an increase in enrollment of our ESOL population, we will utilize additional personnel to help meet language acquisition needs of these students. We will continue to integrate technology into the classroom through the use of our state-of-the-art computer lab and four wireless laptop carts. We will continue to integrate the arts into the general curriculum.

If you have questions about our school, please feel free to contact the principal or SIC Chairman, as listed below.
