REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Watkins-Nance Elementary has finished its seventh year in a new facility. Our school has continued to focus on programs to ensure student success. These included our Saturday Academy and Early Bird and After-School Remediation programs. Our staff development activities continued to focus on improving student performance on the Palmetto Achievement Challenge Test (PACT), student motivation, character education, and teachers' accurate assessment of student achievement; providing appropriate instruction based on state standards and benchmark results; and designing weekly tests to measure specific skills required to do well on state tests.

Emphasis was placed on student communication skills. These skills were reinforced through the Early Success reading program and the use of Compass Learning and SuccessMaker computer software in language arts and math.

Watkins-Nance continued to prepare students to meet new challenges. Effective grade-level planning for instruction as well as weekly grade-level and district assessment testing were conducted to strengthen students' test-taking skills. Retired teachers were used to provide small-group instruction to struggling readers. City Year helped with academics and character education for all students. Lunch Buddies and mentors from St. John Baptist Church, BellSouth, and Omega Psi Phi Fraternity helped motivate students to achieve behavioral and academic success.

Students were recognized for academic achievement at year end award ceremonies. Our Honor Student program, Student Council activities, Career Fair, Science Fair, Artist-in-Residence program, and Science Engineering Mathematics Aerospace Academy (SEMAA) enhanced students' academic and character growth.

Watkins-Nance employed many parent/community outreach programs. These included the "Books and Breakfast" and "Books and Bites" parent workshops, parent-teacher conference incentives, and parent-student academic sessions.

In spite of our successes, we still have some barriers that inhibit progress. These include having about 50 percent of our students enter school without preschool experience, limited parent participation, and limited reinforcement of academic skills at home. However, we are making progress in these areas and are proud of our progress. Since our opening in 2001, our school has received many honors. Our 2001-02 Teacher of the Year won a \$25,000 Milken Award. One of our volunteers was named district Volunteer of the Year. Our school newsletter won a 2002-03 Golden Pencil Award. Our Foster Grandparents were given an award as the elementary volunteers with the most hours of service in our school district for the 2003-04 year. One of our Foster Grandparents was also named district and state senior citizen volunteer of the year for 2004-05. Watkins-Nance received a Silver Award for outstanding student improvement on the PACT for the 2005-06 school term. In 2008, the school was honored with a United Way Merit Award and a district award for staff wellness.
