REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

F. J. DeLaine Elementary is an integral part of the Wedgefield community in Sumter County. Currently, we educate and nurture 164 children from kindergarten through fifth grade. Our mission is to promote lifelong learners while utilizing the ABC's: Academics, Behavior, and Character. Moreover, we envision building a legacy of academic excellence and social responsibility, one student at a time.

At F. J. DeLaine, our hardworking staff is highly skilled and dedicated to the success of all students. We have a continued commitment to educate and provide our students with standards-based learning experiences. Therefore, various research-based and instructional "best practices" and approaches are implemented across the curriculum to broaden the students' academic performance. Promethean boards and computers, which aid in the academic experience and provide for active student learning, are utilized on a daily basis. Weekly grade level planning with the curriculum coordinator is held to fine-tune classroom lesson plans. Moreover, teachers plan for flexible, small group instruction for those students who need assistance. All students participate in the Early Morning Tutorial which provides extra practice in reading/language arts and math. Targeted students in grades 3-5 participate in the after school tutoring program to prepare for the PACT.

Parents are welcomed and encouraged to be involved in the educational process. They are encouraged to become active members of the PTA and attend our Family Reading/Math Night activities. Workshops are scheduled through our Parent Resource Center during the school year to encourage and assist parents in preparation for helping their children at home. Continuous communication between the school and family is promoted through our student-parent handbook, monthly newsletter, weekly and/or daily progress reports, and parent-teacher conferences.

We are proud of the achievements we have made. For the past five years, we have met AYP. We have also been recognized by the EOC for closing the achievement gap for historically underperforming groups of students for the past four years. In 2007, we were the recipient of the Red Carpet Award presented by the SC Department of Education.
