Number of surveys returned	114	478	278
Percent satisfied with learning environment	84.2%	75.1%	78.4%
Percent satisfied with social and physical environment	91.2%	78.2%	74.3%
Percent satisfied with school-home relations	94.7%	84.2%	70.5%

*Only students at the highest high school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year was another exciting year, both academically and athletically. The student enrollment continues to increase, as well as the academic standards. The students, parents, faculty, and community members have embraced the growth and continually collaborate for success. Our PTSA volunteers logged over 55,000 volunteer hours for the school year.

We have enthusiastically implemented the Career Pathways programs in accordance with EEDA requirements. With three career development facilitators on staff, Mauldin High was able to assess all 9th graders and create individual graduation plans for each student. This program will allow students to focus on areas of interest for their future plans. We look forward to tracking the progress of these students as they follow their designated plans.

The 2007-2008 school year was highlighted with several accomplishments. Mauldin High was recognized once again by Newsweek magazine as one of the top public high schools in the United States. Mauldin was listed as number 569 of 1200 identified schools. The graduating class of 2008 received over 12 million dollars in scholarships, and our athletic and other teams performed well in region and state competitions. The Speech and Debate Team won its fourth consecutive state championship. The Robotics team was once again recognized for their outstanding abilities and their attention to safety. The girls' cross country team won the state championship. The girls' soccer team won second in the state, and the softball team won the region. Mauldin High students are accustomed to success both in the classroom and on the competitive teams.

The Mauldin High community is an integral part of the school's success. The Mauldin High School SIC initiative received a $2,500 grant from State Farm Insurance Company. The Council's vision for this year involved creating a spirit of oneness and unity among its students, as well as between the school and the community. Though always proud of our many successes, our faculty, staff, parents, and students realize that excellence is a vision and not a destination. We continue to raise the bar and set goals that challenge the students, faculty, and community to meet high academic and moral standards.

Ann C. Miller, Principal
Ken Peay, SIC Chair
