REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Pine Ridge Middle School, celebrating its 35th anniversary, “provides students a safe and welcoming environment where teachers can teach and students can learn.” Our mission is to prepare students for high school, while teaching the skills necessary to be responsible productive citizens.

At Pine Ridge Middle, all decisions concerning our academic, athletic, and extra-curricular programs are based on what is best for students. Using MAP assessment data, students are placed in core courses, using flexible grouping strategies, reevaluating the students each interim period. Teachers incorporate technology into their lessons, engaging all students in the learning. The science scores have greatly improved due to the interactive labs and the research skills that are taught. EOC test scores have improved by providing a more challenging curriculum and requiring interdisciplinary activities and projects.

Besides our core courses, we offer students a number of electives, including physical education, health, music, art, Spanish, keyboarding, band, and career education. We are now offering two high school credit courses, Spanish 1 and Business Computer Applications 1.

This year, members of the Columbia professional hockey team, The Inferno, came to our school once a month to mentor to several of our students. Many of our students participate in the art club and the recycling club. For the school's recycling efforts, PRMS was awarded the “Carolina Recycling School Program of the Year”. We also won the “Keep the Midlands Beautiful” award and received 250 clear backpacks.

Athletics is an important part of our students’ lives. This year our football team placed second in the Palmetto Athletic Conference, and our volleyball team placed third. The girls’ track team has been undefeated for six straight years, and the boys’ team has been as well for three years.

With all stakeholders working together—students, parents, teachers, staff—Pine Ridge students will achieve continued success.
