SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

The 2008-2009 school year was a very successful year for the Dillon County Technology Center. The center began the year with one new instructor, Mr. Luther Pouncey, in the Building Construction Department. Mr. Pouncey added a variety of new experiences to our already national certified program. The center as a whole worked together on community projects such as Pennies for Patients and ran a program to aid the fire victims in Horry County.

Some additional accomplishments are as follows: the center received the Palmetto Gold Award for student achievement and student retention; the center also received an Absolute Rating of Excellent and an Improvement Rating of Excellent on its 2008 School Report Card.

The Cosmetology Department had 7 of 9 students to complete and pass their state board exam. These students will receive their State Cosmetology Licenses before graduation. The center inducted 4 additional students into the National Technical Honor Society and had 2 students to participate in the Ford AAA contest. Culinary Arts Students placed third in the state in the National Culinary Arts contest. The Culinary Arts Students also prepared the food and served it for the Ben Bernake Day in Dillon. Health Science Students participated in the Autism Walk at Lowe's Motor Speedway in Charlotte, NC, and they also participated in the State HOSA State Events. The Agriculture Science Department worked with the Healthy Learners Organization of Dillon and raised \$240.00 for Healthy Learners through the Horticulture Plant sale. All school departments along with the office staff worked together this year on the food drive for needy families and completed a very successful food drive.
