District Superintendent's Report

The South Carolina Annual School Report Card Summary is a comprehensive review of the previous school year's data from state administered test. It is vital for the community to review information concerning our students and the schools. The school system welcomes comments and questions from students, parents, and community members. Our local school officials are always available to meet with local civic groups, churches, and other agencies to present the School Report Card information.

Florence School District Two's students are administered the following state mandated tests throughout the school year: HSAP, PASS, NAEP, ELDA, SC-Alt., and EOCEP. Our two schools Hannah-Pamplico Elementary/Middle School and Hannah-Pamplico High School are working extremely hard to make improvements in the areas that are identified as a deficiency on these assessment tests.

Florence School District Two is very proud that Hannah-Pamplico High School just completed its ten year Southern Association of Colleges and Schools (SACS) Review. Hannah-Pamplico Elementary/Middle School completed the External Review process through the State Department of Education. The school elected to complete the process with a liaison before it was mandated. Congratulations! To both schools for being proactive in making their schools the best they can be for their students.

During these extremely difficult financial times, it becomes the administration's responsibility to provide our teachers, students, and staff the resources they need to make a difference every day at school. Our jobs are to produce graduates that are competitive, well-rounded, and better for the post secondary challenges that they desire to pursue.

If at any time you have questions or comments, please feel free to contact anyone on the Florence School District Two administrative team for assistance. Please call me at 843-493-2502 at any time.

Sincerely,
Robert E. Sullivan, Jr.
Superintendent
