Report of Principal and School Improvement Council

Loris Elementary School is honored to share our Report Card as we continue our journey to becoming a top performing school. Our mission is to empower each student to achieve his/her full potential through personalized achievement-based educational experiences in partnership with home, school, and community with a nurturing and enriched environment. We participated in ongoing professional staff development focusing on student engagement to improve student achievement. Our teachers collaborated weekly to analyze and plan standards-based instruction, assessments, and instructional strategies. We continued to implement Measures of Academic Progress (MAP) this year in reading, math, and language. We continuously analyzed this data to drive our instruction and measure student growth. MAP growth goals are established each year for the students in first through fifth grades. All teachers participated in Everyday Math training, Guided Reading Station training, and Imagine It! training. Science kits have been utilized effectively by the teachers to teach the state's science standards. Many of our teachers are participating in the District's laptop computer initiative in order to increase technology use in the classroom. Students and staff were involved in the community through participation in Jump Rope for Heart, HTC recycling, and Relay for Life. We continued to partner with Coastal Carolina University to provide student interns and mentors for our students. Academic achievement awards and celebrations were provided for the students and parents each nine weeks. Our school provided opportunities weekly for after-school tutorials and computer lab. Many of our fifth grade students participated in a Pre-Algebra online class. We had two intervention teachers to provide small group instruction in reading for identified students. Loris Elementary is committed to reaching our goals, and our staff, School Improvement Council, and administration continue to work diligently to ensure that every child is empowered to achieve his/her full potential. Shelton Long, Principal 2008-09; Theresa Graham, School Improvement Council Chair 2008-09
