Report of Principal and School Improvement Council

Griggs Road Elementary School continues to achieve at high levels by providing quality education for all children. Our students, teachers, and parents are dedicated to this goal. Recently, Griggs Road received the Palmetto Silver Award and the Closing the Achievement Gap Award from the South Carolina Education Oversight Committee.

The Griggs Road faculty members are committed to providing quality instruction for all students. As part of this commitment, teachers implemented grade level flexible grouping based on MAP data. We also provided homework and tutoring opportunities before school each morning.

Students also have opportunities to excel in extracurricular areas. This year, every student submitted art work to Artsonia, an online children’s art website. Students produced the school-wide television program, GRE-TV, as well as several additions of the student newspaper.

Historically, Griggs Road has had a high level of parent involvement. We had active volunteers in our building on a daily basis. Our School Improvement Council and PTO contribute their time and talents to many projects/activities at our school. Parents worked diligently to raise funds for school equipment, supplemental instructional materials, performers for school assemblies, and incentives for students. The Field Day Committee worked closely with teachers to provide parent volunteers, first aid assistance, and refreshments for the students. Parents planned family night meals and refreshments for school events.

Griggs Road encouraged students to be good citizens by emphasizing co-curricular activities such as service learning and character education. Throughout the year, the administration, faculty/staff, and parents instilled character education traits and a sense of responsibility in our students. Character education words were introduced during school wide assemblies. Classroom teachers and the guidance counselor provided additional instruction and follow-up activities to support our character education program. The student council sponsored monthly school-wide service learning projects which included participation in Relay for Life, St. Jude’s Math-a-thon, and canned food collections for local agencies. Students collected over \$20,000 to benefit special causes.

As we strive for continued academic excellence, Griggs Road remains committed to providing quality educational opportunities for our students in a safe, healthy environment. We look forward to another outstanding year.

 Wanda Whitesides, Chairperson, School Improvement Council
