REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Wren Elementary School had an "All-Star" year in 2008-09!! Wren Elementary School is a K4-5th grade school that serves 593 students. The mission of Wren Elementary, in cooperation with students, parents, teachers, and community, is to provide a safe, positive, and caring environment that continually challenges all children to achieve personal success and develop their own unique qualities through diverse educational experiences.

Our school met Adequate Yearly Progress (AYP) as defined by the No Child Left Behind legislation and was named a Palmetto Gold Winner for Closing the Achievement Gap in the 2008-09 school year. Additionally, we maintain our status as an Exemplary Writing School and received the Healthy Schools Award. We are proud of our accomplishments and continually strive to improve student success.

Meeting the individual needs of our students is a priority at Wren Elementary. Differentiated instruction, guided reading and data analysis has been a focus of our continued growth and academic success for all students. On-going analysis of PACT, MAP, (Measures of Academic Progress) DIBELS (Dynamic Indicators of Basic Early Literacy Skills), DRA (Developmental Reading Assessment), along with formal and informal assessment guides our curriculum, instruction, assessment, and school programs. A number of teachers attended professional conferences and staff development and led school level trainings to share their knowledge with our entire staff.

Wren Elementary recognizes the need to prepare our students for a global society. Through partnership with our Parent Teacher Organization (PTO), School Improvement Council (SIC) and district office, we have extended our tools for technology instruction and integration. This partnership has equipped each classroom with a Smartboard, Elmo and LCD projector. Additionally, we utilize Senteos and Small Wonder Digital Camcorders for assessment of student learning. These tools engage students and provide authentic assessment for real world applications with digital literacy.

Our students have opportunities that extend beyond the regular school day. Students participated in before school learning programs to receive additional instructional assistance in math, language arts and reading. We offered a PASS Push to review critical testing skills and content to help our students excel on our state test. Additionally, all classrooms participate on our morning school news show throughout the year. Students also have opportunities to serve as members of Safety Patrol, Flag Patrol, Student Council, Yearbook Staff, WES Postal System, Junior Technologist, Chorus, Art Club, and as media helpers in our library. Bicycle safety was also included within our Physical Education curriculum.

It takes commitment from our entire Wren team to ensure our children are thriving and growing academically, socially, and physically. Wren Elementary School is a special place to learn and grow together!!
