SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Manning Primary School is "Wild About Learning." Our school's mission is educating children. During the 2008-09 school year, Manning Primary served 476 students in second and third grades.

Manning Primary offered several instructional programs that are designed to meet the needs of all students. The Save the Children Literacy Program served 135 students through in-school, after-school, and summer-school programs. There are 20 technology classrooms that are utilized by teachers to enhance instruction and curriculum. A new computer-assisted instructional program, Classworks, was purchased in order to provide students with extra support in their areas of academic weakness. An intervention teacher works with 2nd grade students who are below grade level in reading. The Measure of Academic Progress computer assessment was administered 3 times during the year. Data from this assessment was used by classroom teachers to ensure quality instruction for our students. This data was also used to identify students who were struggling readers. These students were provided small group instruction twice a week in order to enhance their reading skills. In order to provide educational options for parents, six single-gender classes were offered in both second and third grades. All second and third grade students enjoyed additional physical activity through a dance enrichment program. Our musically and artistically gifted students were offered an after-school program in which their creativity and imagination were challenged. Our science curriculum was enhanced with two fully-equipped science labs. A math lab was initiated for our third grade students in which math manipulatives were utilized to explore and solve numerical concepts.

Manning Primary has numerous programs to meet the needs of the "whole child." With the help of the Manning High School's Chapter of the FFA, a fitness trail was constructed on our playground. It is available for our students, their families and community stakeholders. This trail received statewide recognition when it was highlighted on an ETV documentary. Character education was addressed daily through our morning show, outside marquee, posters, and banners, reminding us of our character trait for the month. Our students have access to the Smiles Dental Clinic and our parent resource center. Manning Primary students have the opportunity to participate in the Clarendon Christian Learning center. We have a host of community volunteers who support us. We have foster grandparents who assist in our classrooms. Our ESOL 4-H Club assisted in helping improve our outdoor learning environment. Our local Rotary Club established a mentoring program and donated dictionaries for every third grade student.

Through the years, Manning Primary School has garnered numerous awards and accomplishments. Manning Primary has been recognized for "Closing the Achievement Gap" among sub groups in 2002, 2003, and 2007. Our school received the Silver Award in 2005 and the Palmetto Gold Award in 2006. Manning Primary School has four National Board Certified Teachers. Our school is a Red Carpet School and is accredited by the Southern Association of Colleges and Schools.
