REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Myrtle Beach Intermediate School is made up of more than 640 students, 49 professional staff members, and 15 support staff members. We have a School Improvement Council that is made up of parents, employees, and community members that meets quarterly. In addition, our School Leadership Team is made up of staff members from every department of NMBI. Together we form the NMBI family and are representative of the community we serve. We are also fortunate at NMBI to have more than 75 parent and community volunteers that give of themselves to enhance the mission of our school. We have held celebrations to recognize the students' achievements in academics, attendance, and character development. Each quarter we hold a NMBI Awards Program where we recognize students that achieve honor roll, merit roll, perfect attendance, and citizenship awards. In addition, we have 131 students identified and served in the gifted and talented program, 350 students identified as Duke Tip Scholars, and 85 students registered to participate in the Duke program. There were 82 Gold recipients that were recognized for academic excellence and 44 Silver recipients who were recognized for academic achievement in the President's Education Awards Program. At NMBI, we believe students need to be viable members of the community for which we live and learn to make contributions to steadily improve our community. The students and staff of NMBI collected nearly \$10,000 to assist others in need. They did so through such programs as The American Heart Association, Special Olympics, March of Dimes, United Way, The Humane Society of NMB, and Relay for Life. Our students also participated in community outreach through Beach Sweeps, Habitat for Humanity, recycling, and community beautification projects. During the 2009-10 school year, we will work with our parents, community members, School Improvement Council, and school leadership team to provide opportunities for students to excel academically, socially, and emotionally. We will do this through continued focus on academics and community service. Michelle Greene-Graham, Principal; Juliet Casper, School Improvement Council Chairperson
