SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Lake Murray Elementary School, we live our motto, "Learning Makes Everyone Successful," each day. We are committed to providing a challenging, safe and positive learning environment where children can reach their highest potential. Our dedicated staff, supportive parents, active PTA, SIC, and many business partners work closely to make learning enjoyable for each of our 1,102 students. More than 700 current and former Mariner families joined us in March as we celebrated our school's 10th year and a decade of successes at LMES. LMES received the state's Palmetto Gold Award in recognition of our students' academic success and participated in the Palmetto Gold Showcase. Our school counseling program was honored as a Recognized ASCA Model Program (RAMP) by the American School Counselor Association. Our greatest challenge in 2008–2009 was accommodating our large student population. Fortunately, we were able to add first- and second-grade classes. Our students received many awards and honors. They participated in the Tri-District Arts Consortium and District Honor Choir, published works in a variety of magazines and featured artwork at the S.C. State Fair. One student's career poem earned national recognition. Our staff received recognition for outstanding achievement as well. Barbra Hubbard represented LMES as our Teacher of the Year. School Counselor Brenda Dooley was the first-place runner up for the S.C. Elementary HEART Award. Several of our teachers were awarded individual grants such as the MCEC Bright Ideas, Michelin Teacher and EIA grants. LMES participated in the online math program, "First in Math," and was recognized as the top school in S.C. Our students spent an estimated 7,000 hours solving an estimated 2.5 million mathematics problems! Students and staff showed exemplary service to others through several service-learning projects. We raised more than \$14,000 for the Relay For Life effort and took the top fundraiser award for all Lexington One schools. We also took part in a Juvenile Diabetes Walk and Jump Rope for Heart. We sent more than 100 care packages overseas as a "Salute to Our Troops." Community involvement activities included our Murrayfest carnival, Family Reading Night and Math Night at Piggly Wiggly.

In summary, LMES is proud of its reputation as an excellent school. Our staff, students, parents and community partners continue to work to ensure every student's success.
