REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ravenel Elementary School strives to "Reach Every Student" by utilizing best practices in the educational process. Ravenel serves 552 students in grades kindergarten through fifth grade. We want our students to become life-long learners who strive to succeed in a competitive world despite the challenges they may face. Ravenel Elementary's goal to "Reach Every Student" in the classroom is a top priority. Teachers use best practices such as differentiated instruction, balanced literacy, and formative assessment to engage the students in the learning process. Teachers continually use data, such as MAP and PASS, to drive their instruction. We had record-breaking goals achieved this year by students who reached over 2,000 steps in the 100 BC program and students who got over 600 points in the AR program. We implemented PASS and MAP mentoring groups with our guidance counselor for students in second through fifth grade. During classroom visits, she discussed the students' scores on the PASS and MAP and offered strategies on how they could improve throughout the year. Our school works to "Reach Every Student" and their family. We work very hard to make Ravenel a school where all are welcome and where the students look forward to come each day and learn in a safe environment. We hosted Family Nights this year in all academic areas including ELA, math, science, and social studies. Students and families enjoyed building books, seeing a real historic wax museum hosted by the fourth grade, and gazing at the stars with the Clemson Astronomers during these family nights. We encourage students to be physically fit as well. We have an early morning walking program each day ran by our two physical education teachers. We have the county's biggest Jump Rope for Heart celebration where we raised money for the American Heart Association. The entire school and community enjoyed the 16th year of "Artists on the Green" where artists gather at Ravenel to demonstrate their crafts. Our guidance counselor also hosts an annual Career Day where community members come and share their trade with the students. The PTO and SIC are vital parts of our school and help Ravenel "Reach Every Student" with additional leadership and funds. PTO funds purchased numerous items for the teachers and honored them with a meal during Teacher Appreciation Week. PTO along with volunteers from our school community helped with our annual Back-to-School picnic, Variety Show, Fall Festival, and numerous everyday school activities. Several community donors have given the school over \$6,000.00 to use for purchasing school materials and new technology. The school community raised over \$10,000 for Relay for Life this year! Ravenel got the Platinum award for raising the most money in the county.

We will continue to strive to live-up to our district's motto, "Education is Everybody's Business." We know that community outreach and partnership with our school families will make this possible. We will continue to better our staff and therefore our students so that we will indeed "Reach Every Student" at Ravenel Elementary School.
