SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Chapin High School, where community and school unite in partnership, is to ensure that every student is given the opportunity to achieve full potential for academic excellence and personal growth.

This has been a very good year for Chapin High School both academically and with extracurricular activities. A National Blue Ribbon and Red Carpet Award winning school, CHS received the Palmetto Gold Award for the fifth consecutive year. The State Superintendent has, again, nominated CHS for National Blue Ribbon. We were also recognized this year by U.S. News and World Report as "One of the Nation's Best High Schools." Our seniors received over eight million dollars in scholarships: three National Merit finalists, 121 Life Scholarships, and 19 Palmetto Fellows. Out of a class of 281 seniors, 140 plan to attend four year institutions with many of our other students planning to attend technical schools, entering the military, or going directly into the workforce.

Our JROTC program was once again recognized as one of the best in SC being designated by the Department of the Navy as a "Distinguished NJROTC with Academic Honors": for the 2009 -10 school year. Next year, our JROTC program will have over 200 members making it one of the largest JROTC programs in the southeast. The State Newspaper recognized CHS as having one of the best athletic programs in the Midlands with nine regional team championships, 19 individual region champs, six region MVPs, 47 All- Region athletes, and six of our coaches as "Region Coaches of the Year." Our cheerleading team, once again, is state champions. Many of our students are also involved in our intramural athletic program.

Our fine arts programs have had an excellent year receiving awards in art, chorus, and band. CHS visual arts students received numerous awards at state and national competitions. The school-wide production of "Bye Bye Birdie" was a complete success with over 1,000 in attendance.

The Student Government of CHS raised \$10,000 for East Elementary School in SC's Corridor of Shame. They also raised scholarship monies for many needy students as well as participated in numerous service projects in the community.

As a member of High Schools That Work, we continue to examine ways of improving student performance in the classroom by emphasizing student engagement and literacy across the curriculum. Our school is committed to improving instructional programs and finding ways to make connections with all students. Two programs that are relatively new that we believe are key to our success are Mentor and Student Teams (MAST) and Success Acquired in Learning (SAIL). MAST is designed to help build relationships with students through mentoring and providing guidance. SAIL is designed specifically to help students who are considered "at risk." The success of both programs demonstrates a need to connect with students and provide additional support.
