Report of Principal and School Improvement Council

Laurens Middle School continued to move forward in 2008/2009 in our quest for excellence. LMS teachers used Measures of Academic Progress (MAP) to target individual weaknesses in student learning and tailored lessons to address them. MAP figured heavily in the construction of lessons for classrooms and remediation activities. Staff development was targeted at providing teachers with the strategies necessary to move students forward academically and included South Carolina Reading Initiative (SCRI) training and training from Keeping Learning on Track (KLT). Innovative programs continued to flourish at LMS. Single gender classrooms expanded into 7th grade with plans to include extension into 8th grade in 2009/2010. Our Montessori program continued to flourish and served as the home base for all Montessori middle school students from the entire district. LMS students raised thousands of dollars in the spirit of community service and contributed to many charities and causes. Our partnership with Michelin continued to provide much needed math tutoring and support for several students facing challenges in math. Presbyterian College aided our school with the "Tiger Pals" program that offered academic and social support to identified at-risk students. Finally, Ms. Sharon Vincent was named Teacher of the Year for her excellence in the classroom. Rhett Harris, Ed.D. Principal; Cathy Crotts School Improvement Council, Chairperson
