Report of Principal and School Improvement Council

School Year 2008-2009 has been a productive year for students, faculty and staff at TSMHS. Continued focus on fostering the culture of a learning community has been a major emphasis. Our faculty continues its efforts of Professional Growth with teachers participating in CERRA's TAKE ONE (part of the National Board Program) and school level technology opportunities. Seven teachers advanced their degrees and have their Master's Degree in Education (December 2008).

With the assistance from our School Improvement Council, we continue to review all school data and goals which we believe we will accomplish. Focused School Renewal Plan goals have been established, reviewed and will be achieved through collaborative efforts.

Student success in academics, arts and athletics has been at the forefront of our mission to develop self-confident learners. Students have been identified to participate in an academic program for assistance while others have had the opportunity to participate in an accelerated program through the SC Virtual School Program. Student results for meeting state standards, school and district goals were achieved during the 07-08 school year and will be reached during the 08-09 school year.

The SIC, faculty and staff of TSMHS extend a thank you to our volunteers, parents and students for their diligent work in representing TSMHS.

Steve M.R. Moore, Principal

The SIC serves as an advisory committee to Mr. Moore and the faculty of TSMHS. Our focus is to bring together parents and community members to collaborate on the academic and social development of all students. I would like to thank our current council, volunteers and students for their diligent work this year.

We encourage more of our parents to become involved as everyone has something to contribute.

Kim Alexander, Chair, the School Improvement Council
