Report of Principal and School Improvement Council

T. E. Mabry Middle School continues to provide a quality education for our students. Mabry Middle School is a MMGW (Making Middle Grades Work) school that utilizes the framework established by the Southern Region Educational Board. Mabry Middle implemented a school-wide literacy initiative and, in our first year, set a goal to read 1,000,000 pages, and we surpassed that goal by reading over 1,500,000 pages.

Mabry had twenty students that were named Junior Scholars and four students that were identified as Duke/TIP scholars. We inducted eighty-four students into the Junior Beta Club. Our athletic teams had a great year, with record numbers of students participating. Our Fine Arts programs also represented us very well and won numerous awards. Over 50% of our students participated in one of our fine arts programs and close to 80% either participated in fine arts or were on an athletic team.

We are very grateful to the athletic booster club, PTO, and SIC for the support each group provided throughout the year. Our focus is to continue to focus on building literacy and creating successful transitions from elementary, to middle, to high school. We look forward to the challenges that each year will bring.

Brian M. Batson, Principal
Bill Hightower, SIC Chair
