District Superintendent's Report

Sparking potential. Inspiring success. These four words embody our school district's goal of providing our students with the support they will need to be successful in their lifelong aspirations. York School District One offers a student-centered learning environment that is safe, caring, individualized, and challenging. Using progressive educational approaches coupled with an emphasis on traditional expectations for student behavior and work ethic, our teachers and staff help each student find the right formula for success.

Our goal of creating a college-going culture continues to be reached by way of our positive achievement indicators. Our graduates go on to some of the most prestigious colleges in the nation knowing that they have a solid educational background. The same is true for our graduates who go directly to work, into the military, or to other two- and four-year colleges and universities.

Our greatest strength continues to rest in our community stakeholders. We enjoy the strong, unified support of our students and schools across the full expanse of the district. From the town of York to the communities of Hickory Grove, Smyrna, Sharon, and McConnells, your support of our schools is what makes this district special.

Our teachers realize that the timeless traits of good teaching never change, and we promise that you can always count on them to be nurturing, challenging, inspiring, respectful, protective, and dependable.

This is truly an exciting time for our school community. Our new high school and technology center will open this fall. These state-of-the-art facilities will serve as reminders of our community's commitment to education and the progression of this school district.

As our comprehensive high school alma-mater states, "We are one, we are many...different people, yet the same." This is who we are. Sparking potential. Inspiring success. – This is what we do!

Vernon L. Prosser, Ed.D.
Superintendent
