SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF SUPERINTENDENT

The 2009-2010 school year was again challenged with major struggles through additional budget deficits of nearly 1.5 million, that added to the already 2 million in revenues loss from the previous year. In the struggles of management of the school district, there was never a day that we did not find students academically achieving, teachers excelling, honors being bestowed upon schools, and students excelling in extracurricular activities. The doors of our schools revolved with an outpour of community support through business and industry activities and volunteers.

One of the brightest moments during the year was the announcement that two of our schools met all their objectives, giving them the status of having met Adequate Yearly Progress. Other district elementary and middle schools showed significant progress and fell just short of AYP, missing 1-4 objectives. The district as a whole reached six additional objectives, showing outstanding progress towards the AYP goal. Educators are commended for their efforts of producing the outstanding results we saw on PASS testing and in the objective areas of AYP. They have continued to step to the plate and hold fast to the number one priority in this district – our children and their success.

We were honored to recognize two schools named as Palmetto Gold and Palmetto Silver Award Winners. We also recognized two schools that were named Red Carpet Schools, and this is a first for our district. Students participating in extracurricular activities continue to bring standing ovations from musical productions, outstanding records in the sports areas, Mock Trial State competition, MathCounts competitions, Regional Spelling Bee Contest, and State Writing Programs, all of which make for a well-rounded student and future citizen. As true to tradition at Strom Thurmond High School, we again applaud the graduating class that totaled \$2,644,036 in scholarships, with ninety two students on tap for the Life Scholarship.

The formation of the Foundation for Edgefield County Public Schools has implemented Teacher Vision Grants to assist educators with special projects. The district has been fortunate in the progress through the PEACH Grant (Early Intervention) and an AmeriCorps Grant which has proven to tie our high school seniors and our communities together in a joint effort of service.

Through the efforts of all employees and the support of our communities and parents, The Edgefield County School District will continue to be among the leaders across this state in striving for academic success for all children, continue programs to mold well-rounded students, and continue to step higher each year to offer the children of Edgefield County the very best educational opportunities. Our quest to move from "Good to Great" is at the forefront of our labors.

Dr. Mary R. Crenshaw, Superintendent
