REPORT OF SUPERINTENDENT

The 2009-2010 school year was a time of tremendous growth and achievement for Richland School District Two. Across the country, issues of sustainable education continue to rise to the forefront of concerns. However, even with national and state concerns about the overall economy and slumps in the housing markets, the northeast section of Richland County remains an enviable place to raise a family. Likewise, Richland Two remains a leader in academics, arts and athletics.

As with previous years, Richland Two's SAT scores are among the highest in the state, and with two students achieving perfect cumulative scores, three achieving perfect scores in critical reading, and two students achieving perfect scores in Math, it should be no surprise we exceed SAT score averages. In 2010 our students were named National Merit Scholars, National Achievement Scholars, winners of the National High School Model United Nations Award of Distinction, first place finalists on the National Spanish Exam, first place finalists at the 2010 National Air Force Eastern Drill Championship and more. Additionally, our students presented at national conferences, raised \$22,500 for a local charity, and received more than \$67.2 million in scholarships.

This year, eleven schools were recognized with Palmetto Gold or Silvers awards for reaching high levels of performance or high rates of improvement. Lake Carolina was named a 2010 National School of Character, and Forest Lake Elementary was named Magnet Schools of America Magnet School of Distinction. Locally, Killian Elementary was named a Palmetto's Finest School, and six schools were named Red Carpet Award winners. In total, two principals were named principals of the year by the S.C. Association of School Administrators, with the organization also naming retiring Superintendent Dr. Stephen Hefner as the Harley Lifetime Achievement Award recipient. As a district, we added 54 new National Board Certified Teachers, received \$3,147,420 in competitive grants, immunized more than 24,000 students from the H1N1 virus, completed construction of Langford Elementary School, and maintained a AA credit rating with Standard and Poor's, Moody's, and Fitch ratings services.

As the largest district in the Midlands, Richland Two has continued to set the standard for quality teaching and learning.
