** Districts with Students Like Ours are districts with Poverty Indices of no more than 5% above or below the index for this district.

NAEP*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF SUPERINTENDENT

Spartanburg School District Seven celebrated another year filled with tremendous accomplishments. This success is a direct result of the caliber of our students, the support of our parents, and the dedication and commitment of our faculty, staff, and administration.

Six schools in the district received the prestigious Red Carpet Schools Award recognizing their success in creating a family-friendly school environment. Five schools earned a Palmetto Gold or Silver award for attaining high levels of academic achievement and high rates of growth or closing the achievement gap. The program honored E.P. Todd Elementary, Pine Street Elementary, Chapman Elementary, Spartanburg High School, and the Daniel Morgan Technology Center.

School choice innovations for various schools include a Montessori program at E. P. Todd Elementary; a Science, Technology, Engineering, and Mathematics (STEM) program at Carver Junior High; an International Baccalaureate program at Jesse Boyd Elementary; a technology emphasis at Chapman Elementary; a fine arts focus at Pine Street Elementary; a science concept at Cleveland Elementary; and an Academy for Creative Expression (ACE) at Houston Elementary. In addition to these, we continue to pursue and implement other innovations, including a comprehensive child development center, a 6-8 grade configuration in our junior high schools, an AP College Board preparatory initiative at McCracken Junior High, and a 9th grade academy on the campus of Spartanburg High School.

We are excited about the future of District 7. Early childhood education and extended learning time through afterschool programs and summer programs continue as a priority. Additionally, the visual and performing arts programs that reach into our elementary schools will be strengthened, and our ability to serve gifted and talented students in honors and advanced placement programs will be enhanced.

District Seven strives for unmatched excellence in academics, athletics, activities, and the arts. In academics, Spartanburg High School had six students named as National Merit Finalists; the school was named again by Newsweek as one of the top schools in the country in recognition of its Advanced Placement program; and the Class of 2010 earned \$16,072,186 dollars in merit-based scholarships, a new school record. In athletics, the district completed its new sports complex, which transformed current playing fields and courts into a state-of-the-art facility. In activities and the arts, students gained local, state, and national recognition for participation and excellence in performance.

It is an honor and a privilege to serve the children and community of Spartanburg District Seven.

Thomas D. White, Jr., Superintendent
