Report of Principal and School Improvement Council

Chicora is a Communications Magnet School, the only one of its kind in the district. "Excellence is our Standard" is our motto, and our theme and focus is communications in all types of media. Chicora has been recognized by the state department as a Red Carpet School in 2010.

In 2006, Chicora was one of six schools in the nation and the first ever in South Carolina to win the National School Change Award. This award recognizes schools that have made substantial improvements in all areas. An energetic, highly-qualified, enthusiastic faculty and staff are keys to the success that has visibly transformed Chicora Elementary School. A demonstration classroom and relevant monthly staff development meetings that addresses the specific needs of Chicora are important parts of our school improvement plan, as well as reduced class size that allows teachers to give extra attention to individual students. We evaluate the strengths and weaknesses of our programs and students based on MAP scores, surveys, and other data.

We have had a busy and productive year. We will continue with our schoolwide reading program, which includes a reading celebration in May. A highly effective parenting team continues to develop good home/school relationships. Our mentoring program grows every year. Our goal is one mentor for every child. We have formed a partnership with Wings, which provides a quality afterschool program.

An updated state-of-the-art computer lab with a certified teacher has been an asset for the school and community. At Chicora, we utilize technology to enrich and increase student achievement in all academic areas. The fifth grade teachers are excited that their students continue to progress with the Read 180 and Read About programs, two unique reading programs that integrate technology, English Language Arts, and the content areas. Successmaker, a reading and math technology program, is used in second through fourth grades.

The principal continues to have an open door policy to help ensure a school climate that is friendly and inviting. Chicora has a talented, dedicated faculty and staff who work hard each day to provide meaningful experiences and lessons for our students. The students' potential is great, and we strive daily to unlock that potential and help all of our children become successful. We recognize that students will rise to exemplary performance with high expectations, and that is what we demand for and from the students at Chicora School of Communications.
