Report of Principal and School Improvement Council

Johnsonville Elementary School had a fulfilling 2009/2010 school year. MAP testing was added in kindergarten and first grade allowing all teachers to access diagnostic information about students' progress. The implementation of technology continues at JES as we now have 27 classrooms outfitted with SMARTBoards to enhance the current instructional program. We also were given the opportunity to host an after-school program for students in grades two through four using Supplemental Education Services funds from the state. The Behavior Intervention Class continues to be an asset to the ongoing improvement of student attendance and behavior.

Our students continue to excel each and every year. The Duke University Talent Search recognized ten students this past year for their academic excellence. The SC Elementary Honors' Choir was represented by three fourth graders this year for their artistic talents. Excellence continues with our students through their character building activities throughout the year. Our "Sparks" worked hard in helping with causes such as St. Jude's Children's Hospital, Johnsonville Fire Department, Palmetto Health Children's Hospital, American Red Cross with Relief for Haiti, food drives, clothes drives, and special fund raisers were held for three fellow students who were struck with catastrophic illnesses. The generosity of our students and community has been phenomenal.

Without the support of a great community, parents, and volunteers, Johnsonville Elementary would not excel as it does. A sound curriculum, an outstanding faculty and staff, and an exceptional student body all aid in making JES the great school that it is.
