Report of Principal and School Improvement Council

"Expect to be impressed, our children are the best!" This school motto continues to resound in all that we aspire to achieve. A positive school experience for all students is the commitment of all stakeholders in our community. From School Improvement Council/PTO Family Nights for every grade level to Adult Education classes and Wee Read materials for newborn members of the Kershaw Elementary family, we strive to be a resource within the Kershaw area for young and old alike!

The resources for learning are broad and varied in the utilization of the Everyday Mathematics program, a Discovery cluster program using Core Knowledge Curriculum and Multiple Intelligences Theory, and SRA Corrective Reading for identified students. Summer Countdown to Kindergarten and a 4K program enhance early learning experiences for our students. We proudly celebrated the induction of numerous new members into the National Jr. Beta Club who became active in leadership and service projects! Staff development activities for teachers and assistants included sessions in rubric based writing instruction, along with grouping to address individual skill needs and to further enhance planning and evaluation of classroom strategies for our students.

Innovative learning experiences and technological opportunities are provided for all students through Classworks computer software for mathematics and language arts, standards-based field trips on all grade levels, media research, SMART Boards, author visits and manipulatives in both mathematics and science. Extended day and year enrichment has been provided through the Partners for Youth Homework Center, 21st Century, and Title I. AmeriCorps members, Teacher Cadets, and Service Learning students, along with parent and grandparent volunteers provide tutoring and mentoring for our students. Communication was key as student-led conferencing, classroom phone chains, and e-mail were again utilized on a school-wide basis. Visits in the homes of many of our students started the year off right by helping everyone get acquainted.

Our Positive Action Character Education program and numerous service learning activities provide citizenship opportunities for our students and staff, and support the American Red Cross, St. Jude's Children's Research Hospital, March of Dimes, and the Muscular Dystrophy Association. All students participated in musical and dramatic performances for family and friends during the year. PTO contributions continued to support supplemental instructional materials, funded school-wide activities, helped fund visiting artists, and supplied awards for Accelerated Reader throughout the year. Community support in combination with the involvement of our Kershaw Elementary families and teachers as a team makes a difference in the lives of our children!
