REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009-2010 school year has been full of opportunities for the students and faculty at Allendale Elementary School.

Allendale Elementary School continues to implement programs that we feel will increase the academic achievement of our students. Our teachers continue to attend numerous professional staff-development opportunities as a way of raising the quality of instruction and implementing best teaching strategies. As a faculty, we continue to look for ways to increase the literacy rates of our students.

We continue to have an emphasis on the arts. Our students performed three musical productions this year with the assistance of an artist-in-residence. In addition, we continued our Steel Drum Band who performed around the state throughout the school year.

Our school completed its first year of PBIS (Positive Behaviors, Interventions and Support). Our school Code of Conduct was expressed through The 4 B's: Be Respectful, Be Responsible, Be Cooperative and Be Safe." Our schoolwide 4 B's matrix clearly describes behavioral expectations linked to these four attribute for our students to follow within all common areas of our building and campus. Our entire school staff supports and encourages students in this endeavor by recognizing students and classes who demonstrate The 4 B's on a daily basis.
