REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Mary Ford is a school of the heart, and each year we strive for instructional improvements, strong community partnerships, and opportunities to provide full wrap-around services for all of our students. This year's schoolwide goals include a focus on literacy, improved teacher quality, creating a positive, nurturing learning environment, and increased parent involvement. Our challenges continue to be math achievement, parent involvement, and student motivation.

We celebrate opportunities to create lasting partnerships with the community through our various mentoring programs: Book Buddies—volunteer literacy-based tutoring for 1st and 2nd grade students; Lunch Buddies: a one-to-one buddy mentoring program for personal development and building self-esteem; Mt. Moriah Mentoring Men: a small group personal development and character building mentoring program for high risk boys; Charleston County Human Services Commission Youth Leadership Program—emphasizing leadership, citizenship, and personal growth; Creative Writers: 4th and 5th grade students who are mentored by local writers to develop their exemplary potential as writers; and Little Man, Big Brother: personal development and character building for boys across grade levels.

Academically this year, we have worked extremely hard to improve student performance in reading and math. We have seen significant growth in our Third Grade Academy class, as measured by ongoing progress monitoring on MAP assessments. Our new Compass Learning CAI Program develops individualized academic pathways, and our students are engaged in other various research-based programs to supplement our rigorous instructional curriculum, to include Every Day Math, technology integrated lessons using newly installed SmartBoards, arts-infused lessons that correlate to state standards, and a number of intervention programs for our more challenged population.

Extended learning time is offered through our 21st Century Afterschool Program, which provides homework assistance, enrichment and recreational opportunities, tutoring, a hot dinner, and free transportation. A number of Supplemental Education Service (SES) providers were selected by our parents to provide additional tutorial assistance during and after school. The school also provides on-site mental health services and monthly parenting programs for parents' personal growth and development.

Our commitment to meet our district's goals to elevate the achievement of all students, close the achievement gap between groups of students, and boost the graduation rate will continue. We can never give up our determination to become a school of excellence despite the many challenges we face year to year.
