REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This report card data reflects PASS results and School Climate Surveys of parents and students in grade five for the spring of 2010. Belle Hall Elementary (BHE) is proud of the students' performance and achievement on the PASS. We continue to place academics and student achievement as priorities as we focus on teaching the South Carolina Curriculum Standards in preparation for success on the Palmetto Assessment of State Standards (PASS) exam. The school provides a safe and nurturing environment, promoting character development through regularly-scheduled guidance classes. Our curriculum is rigorous with challenging activities for developing students. Belle Hall is a successful school that benefits from the hard work and determination of our students, teachers, parents, staff, and community. BHE received the 2009 Palmetto Gold Award, which is based on exemplary student achievement. This is our ninth consecutive year for this distinction. Thank you to everyone who supported us in pursuit of these goals!

Belle Hall Elementary's mission is to develop skilled, respected, independent seekers of knowledge by providing a rich, diverse, and challenging curriculum. The school's ethnically diverse population of 781 students in grades Child Development through 5th has an enrollment of 80% white and 20% non-white students. Instructional programs include various special education services, Gifted and Talented, fine arts, technology, guidance, Accelerated Reader, chorus, handbells, and regular intervention groups for students needing academic assistance. Students may also participate in swimming, volleyball, and basketball, among other extracurricular activities. Students in 3rd through 5th grades may qualify for the Gifted and Talented program. This year, 39% of our children participated in this program. Efforts are consistently made to provide additional resources to classrooms challenged with increasing student-teacher ratios. In 2009-10, average class sizes were 22:1 in kindergarten, 20:1 in first grade, 23:1 in 2nd and 3rd grades, and 29:1 in the upper grades. Teacher turnover is rare at Belle Hall, and the majority of teachers holds a Master's Degree or above. Belle Hall teachers currently average greater than 20 years of teaching experience, with five holding National Board Certification. Adequate time for teacher planning and training remains a challenge to meeting the needs of students.

The Belle Hall continues to support all children and enable them to be successful, fulfilled learners.
