REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The North Hartsville Elementary School Eagles continued soaring towards success during the 2009-2010 school year. With an average of 775 students divided among thirty-five homerooms, we strive to actively provide excellence in education and learning for all students in a safe environment.

First through fourth grade classes are self-contained with a strong emphasis on individualized instruction for each child. Fifth grade classes enjoy team teaching, while also focusing on individualized instruction. Students are also able to excel in our related arts program, which includes music, art, and physical education.

Teachers utilize many sources of data, including formal and informal assessments, to set high expectations for all students. First and second grade students are given the Dominion reading assessment three times a year, as well as periodic benchmark assessments in math and science. Third through fifth grade students are assessed utilizing Measures of Academic Progress (MAP) three times a year, which assists teachers in developing individual growth plans for students. Students have opportunities to work at their instructional level to meet their goals through the use of whole class instruction, computer-assisted instruction, and small group sessions.

All North Hartsville Elementary faculty, staff, parents, community members, and business partners work closely together to encourage each child to demonstrate good character and to be successful academically, physically, and emotionally. Our PTO is continuously enhancing our school climate to make North Hartsville Elementary extraordinary by actively coordinating programs throughout the school year.

Through many activities and much hard work, North Hartsville Elementary is truly the "Best School in the Universe"!
