PASS PERFORMANCE

Our School Elementary Schools with Students Like Ours Elementary schools statewide

NAEP PERFORMANCE*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent satisfied with social and physical environment	82.8%	91.8%	76.0%
Percent satisfied with school-home relations	80.0%	87.1%	80.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Great diligence, effort, and a determination to achieve at higher levels defines Washington Street Elementary School's students, families, staff, and community, as we strive in partnership to provide quality educational opportunities for all of our students. As a Title I school, located in Hartsville, SC, and a part of the Darlington County School System, the school's improvement goals and commitment to success for all students is reflected in our school motto, "We Strive for Excellence!"

This year, English-Language Arts instruction centered on our continued participation in the Reading First Program, which provided funds for professional development of teachers in literacy instruction, as well as a number of books and materials for students to improve their literacy skills.

Math achievement became our primary focus this year, due to an identified need to increase the number of African American students who achieve at the "Met or above" level on the state's accountability test, PASS. Teachers received professional development, and students were targeted for specific skills instruction, based on their identified needs identified through benchmark and Measures of Academic Progress (MAP) testing.

In science and social studies, students participated in a variety of field trips and hands-on activities to assist them in making real-life connections with the concepts taught in these academic subjects.

Washington Street Elementary has continued to encourage family and community involvement at our school by promoting our belief that students benefit most when all of the adults in their lives work together to ensure their successful academic and social achievement. Our school hosts events such as Open House, Meet the Teacher Day, Family Math, PASS, and Reading Nights throughout the school year. These are designed to foster a cooperative spirit and to encourage family and community participation. Our Family/Community Involvement Room has also provided families with a comfortable atmosphere in which to participate in workshops and conferences, all focused on the success of our students.

Washington Street Elementary continues to "Strive for Excellence" for our students, staff, and community. Focused on the success of all students, we will continue to promote a positive and productive learning environment that will place our students on the road to future success.

Mrs. Jada Gore, School Improvement Council Chairperson
Ms. Valerie M. Sawyer, Principal
