REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009–2010 school year at J. C. Lynch (JCL) Elementary School was an exhilarating year. Our school community was energized and motivated as we kept our new slogan, "Busying Growing the Future One Mind at a Time, in mind.

Our students continue to achieve in many areas. Four of our fifth grade students were recognized for their writing accomplishments through the State Superintendent's Writing contest. One of our fifth grade students represented JCL at the Script's Spelling Bee Spell Off at Francis Marion University. Many of our students received awards throughout the year for Superintendent's and Principal's Honor rolls.

Providing leadership opportunities for our students is one of our goals. Our students participated in the JCL Morning News Team, High Flyers Choir, Media Assistant Team, Flag Patrol, and special performances during our Arts Day and Christmas Program. Next year, we plan to expand our leadership opportunities to include a Student Town Council, Recycling Club, Newspaper Staff, Walking Club, and Book Buddies.

Family involvement is a priority at J. C. Lynch Elementary. Parents and community members were invited to participate in Open House, Fall Festival, Grits for Grandparents, Muffins for Moms, Doughnuts for Dads, Arts Day, Field Day, Inflatable's Day, Beauty Pageant, Awards' Day and student performances. Attendance at all events flourished. We also invited and encouraged families to volunteer in classrooms, chaperone field trips, and participate in our Parent Teacher Organization. Future plans for family involvement include the addition of a parenting center as well as providing Parenting Power sessions to support our families as they work with their children at home.

Our top priority continues to be a focus on teaching and learning. For two years, we have implemented the Teacher Advancement Program (TAP). This initiative focuses on improving student achievement through teacher quality. All teachers participated in intense staff development that focused on the best ways to teach the children at JCL as determined by the latest research on how students learn. Through the TAP program, we are fortunate to have the support of two Master Teachers to assist and support teachers in this area.

The 2009-2010 school has been a great year for J. C. Lynch Elementary. Our dedicated staff is always ready to meet the needs of our young learners. We look forward to another great year as we are "Busy Growing the Future One Mind at a Time."
