REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Berea Elementary School creates a safe, inviting atmosphere which fosters learning. Teachers utilize daily essential questions, adhere to state standards, and encourage students to exhibit positive character traits. Teachers and students create classroom expectations together, which results in a positive learning environment. School-wide expectations are taught and successfully modeled daily. This results in a greater ability to focus on academic achievement.

Our staff participates in professional development in the areas of Math, English/Language Arts, Writing and Technology. District personnel provide practical, hands-on opportunities for teachers to grow and develop professionally. Instructional Coaches ensure best practices are followed and are available to support each classroom teacher. Technology training assists the teachers in providing multiple opportunities for students to be actively involved in classroom lessons through the use of SmartBoards, ActivExpressions, and other programs.

Title I provides our parents with multiple levels of involvement. A wide variety of topics such as homework help, reading as a family, hands-on math activities and healthy homes were covered with the purpose of helping parents help their children both at home and school in practical ways.

Our Berea Elementary PTA supports family involvement by providing activities such as talent night, parent/child dances, international celebrations, book fairs, and literacy activities.

Student achievement is recognized by the Principal on the daily news program as well as special recognition events for honor roll students and improved scores on district MAP testing measures. Our school is proud to receive three major awards in 2009-10. They are Closing the Gap Silver Award, Red Carpet State recognition and PBIS (Positive Behavior Interventions and Supports) Ribbon status.

Areas for continued improvement include Math, English Language Arts and Writing. While we did not make AYP last year, we anticipate continued improvement as we seek to develop our teaching proficiencies and learning experiences.

We strive for daily successes and we are proud of our school community.

Kenny George, Principal 2009-10
Scott Fitzsimmons, SIC Chairperson
