REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Summit Drive Elementary School is a true neighborhood school located in the city of Greenville, South Carolina. The facility has been rebuilt and is nine years old. The school's design lends itself to organized grade levels on separate halls, but also the ability to access classrooms quickly. We pride ourselves on knowing all of our children personally, as well as parents and the community. We believe all students can learn and that "Every Student is a Star." Our mission is to encourage continuous learning and increase student achievement, while encouraging our students to become life-long learners and responsible citizens.

Our instructional organizational priorities include increasing student achievement in English language arts, math, science and social studies. We continue to have a stellar science lab staffed by an instructional assistant where science standards are taught through fun and exciting hands-on exercised. We aim to always improve communication with parents, outside agencies and organizations to yield more involvement and participation in the school. Our curriculum structure is established using Thinking Maps, Write from the Beginning and Writer's Handbook; 4 Blocks, Quality Tools Continuous Improvement, Learning Focused, and Calendar Math. These are a few consistent curriculum programs we use throughout the school.

Lastly, Summit Drive strives to improve and accomplishment goals established by the faculty and staff. Adequate yearly progress was met in 2009 and we were the recipient of the State Silver Award for achievement. We received a Green Project grant along with a Metropolitan Arts Council grant for a residency program and received Writing Exemplary status in 2010 by the State Department of Education.

We are a school that prides itself on providing a caring, nurturing and safe environment.
