REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

2009 – 2010 marked the Fiftieth Anniversary of Lakewood Elementary School. The school, along with all of its stakeholders, celebrated fifty years of service and academic excellence! This year was also a year of continued high achievement and academic success for Lakewood Elementary School. Instructional strategies instrumental in reaching our goals include FOCUS lessons, common planning across grade levels, MAP testing with diagnostic study, instructional monitoring with regular administrative classroom visits, and reading intervention programs linked to identified at-risk students.

Our PTA and volunteers continue to provide dedicated personalized assistance to our students as well as funding support for instructional resources. The School Improvement Council remains an integral part of insuring that we meet our mission and goals. Lakewood Elementary School has a very active volunteer program whose members work one-on-one or in small groups with students in the areas of literacy and numeracy. The school has benefited from positive interventions by members of the Coastal Carolina University's baseball team paired with identified students needing mentors. We are proud of the many program initiatives and achievements earned this past year. Lakewood was again recognized by the South Carolina Education Oversight Committee as a school that is Closing the Gap for historically underachieving student groups. We were also a recipient of the Gold Award for Academic Performance by the State Department of Education, and remain a recognized Red Carpet School. Lakewood was a grand-prize winner of the Horry County Waste Authority Recycling Initiative.

Lakewood Elementary School is committed to academic excellence and involves parents and community members in the decision making process through an active PTA and School Improvement Council. Data analysis, diagnostic testing, and instructional best practices provide the necessary ingredients to keep Lakewood growing academically.

The Lakewood Family has enthusiastically celebrated each child's progress the past fifty years and looks forward to doing the same during the next fifty years!
