SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Myrtle Beach Intermediate School (NMBI) is made up of more than 685 students, 49 professional staff members, and 15 support staff members. We have a School Improvement Council made up of parents, employees, and community members that meets quarterly. School Leadership Team is made up of staff members from every department of NMBI. Together we form the NMBI family and are representative of the community we serve. We are also fortunate at NMBI to have more than 75 parent and community volunteers that give of themselves to enhance the mission of our school.

Throughout the 2009-2010 school year, we have held celebrations to recognize the students' achievements in academics, attendance, and character development. Each quarter we hold a NMBI Awards Program where we recognize students that achieve honor roll, merit roll, perfect attendance, and citizenship awards. In addition, we have 131 students identified and served in the gifted and talented program, 231 students identified as Duke Tip Scholars, and 22 students registered to participate in the Duke program. There were 83 Gold recipients that were recognized for academic excellence and 58 Silver recipients who were recognized for academic achievement in the President's Education Awards Program. We are very proud of the many accomplishments of the students at NMBI.

At NMBI, we believe students need to be a viable members of the community in which we live and learn to make contributions to steadily improve our community. The students and staff of NMBI collected nearly \$7,000 during the 2009/2010 school year to assist others in need. They did so through such programs as The American Heart Association, Special Olympics, March of Dimes, United Way, Unicef, The Humane Society of NMB, and Relay for Life. We feel strongly that our contributions will continue to strengthen our community. Our students also participated in community outreach through Beach Sweeps, working with Habitat for Humanity, recycling, and community beautification projects.

North Myrtle Beach Intermediate School received the accreditation status of "All Clear" from the State Department of Education for the year and continues to be accredited through the Southern Association of Schools and Colleges.

During the 2010-2011 school year, we will work with our parents, community members, School Improvement Council, and School Leadership Team to provide opportunities for students to excel academically, socially, and emotionally. We will do this through continued focus on academics and community.
