SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

What a wonderful year it was for the Burgess Elementary School Sea Turtles. We received an Absolute Rating of Excellent and an Improvement Rating of Good on our school report card and were awarded the Palmetto Gold Award for Outstanding Student Academic Performance. We achieved Adequate Yearly Progress on all subgroups on PASS testing. Jennifer Crawford was selected as our Teacher of the Year and was a top ten finalist for Horry County Schools Teacher of the Year. Burgess Elementary students won Best of Show in the Horry County School Technology Fair from over 300 elementary, middle and high school entries.

At Burgess Elementary School we strive daily to move each and every student to higher levels of learning. Through our use of the NWEA's MAP, we continually studied strengths and weaknesses of each child and charted individual courses of success. We analyzed where our students showed growth, why the growth occurred, and utilized research-based curriculum and instructional decisions so that all of our children were academically challenged. In addition, we closely monitored our primary childrens' instructional reading levels through DIBELS. Combined with daily progress, teacher observation, and student work, we made decisions on how to best meet our students' needs. We also focused on science and social studies curriculum and instruction, and monitored student success through district benchmark tests and student notebooks.

Civic, personal, and social responsibilities are also priorities at Burgess Elementary and were taught through classroom guidance lessons and a weekly life-skill focus. Each grade level participated in service learning opportunities and we won the Horry County Schools Service Learning Award. We were honored as the division winner for our recycling efforts in the Talkin' Trash program. Our school participated in BEST Helps Haiti, the Salvation Army Canned Food Drive, Myrtle Beach Family Fun Run, March of Dimes Walk America and American Heart Association's Jump Rope for Heart. After school clubs included Student Council, Drama Club, Art Club, Walking Club, Archery Club, and Technology Club which all encouraged extra-curricular activities and interests.

The success of any school requires the support of an active Parent Teacher Organization, an involved School Improvement Council, faithful volunteers, and generous business partners. This year's PTO sponsored many events including Open House, Ho Ho Hoedown, and a Valentine Dance. They raised funds to purchase additional supplies and materials. Our SIC led efforts to improve school grounds, decrease childhood obesity, and enhance family involvement. They supported the BEST Healthy Food Choices Program and assisted in the installation of the Burgess Habitat Garden. Parents and community members joined us for the Burgess Environment Science and Technology Night, Earth Day Extravaganza, and Healthy Food Choices Youth Services Day. Volunteers included parents, grandparents, and community members who served as Rockin' Readers, mentors and tutors, chaperoned study trips, and worked during other school-wide activities. Our business partners supplied student and staff incentives. Burgess Elementary School...simply the BEST!
