REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Overall, this has been a positive and productive year at Baron DeKalb Elementary (BDK). Our school was recognized by the State Department of Education for having excellent customer service with a family-friendly environment. More than 260 schools submitted an application for Red Carpet and BDK was one of 124 schools to receive this award. In addition to the Red Carpet award, we are the recipient of a 2010 Lowe's Toolbox for Education grant. Plans are underway to construct an outdoor classroom that will provide hands-on learning for students. We appreciate the efforts of the BDK School Improvement Council in securing this grant for our school.

We are proud of the success of our after-school and summer enrichment programs. Earlier this year, BDK was awarded a grant from the 21st Century Learning Center to continue the summer enrichment program for an additional two years. These programs allow students to participate in enriching learning activities and they promote family involvement. The dedication and collaborative spirit of our staff make these programs possible for our students and families.

Baron DeKalb Elementary continues to soar in student achievement. We met Adequate Yearly Progress (AYP) for the seventh consecutive year, by meeting 13 out of 13 objectives that are included in the No Child Left Behind requirements. Our school also improved on both performance ratings of the Annual School Report Card.

The BDK Parent Teacher Organization (PTO) has been extremely busy in its efforts to raise funds to support student learning and to promote family and community involvement. The attendance at events such as, PTO meetings, school performances, Sonic Night, Fall Carnival, and the annual talent show reflected the commitment of the staff, students, parents, and community to our school.

Our efforts make the difference at Baron DeKalb Elementary. We will continue to work together to make this a nurturing and positive environment for students to learn and to grow.
