SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Throughout the 2009-2010 school year, Clinton Elementary School has remained steadfast in its data driven approach that fosters academic growth for all students. The utilization of Measures of Academic Performance (MAP) data provided teachers with the necessary information to meet the individual learning needs of all students in grades 1-5. Along with substantial gains in Dominie Reading levels, the Clinton Elementary family was thrilled to see that year-end MAP data revealed substantial gains in many areas. These growth trends were enhanced through the SC Teacher Advancement Program (TAP) and the South Carolina Reading First Initiative. Reading First and the TAP program provide ongoing-data driven staff development through weekly professional development meetings. The in-depth focus on scientific-based strategies has enhanced our daily instructional delivery in the classroom.

Clinton Elementary provides many opportunities for learning in both the academics and the arts. We are pleased to offer our students with a variety of extracurricular activities such as the Art Club, Drums Corps, and Honors Choir. We have offered single-gender classrooms to our upper elementary students. To best meet the needs of all learners, we will continue to strengthen teaching and learning across all content areas through individualized, differentiated instruction.

Technology continues to enhance our instructional program. Most classes are equipped with Interactive Whiteboards, LCD projectors, document cameras, and computers. At Clinton Elementary, we are dedicated to preparing our students for the ever-changing digital age world.

Character development remains a priority at Clinton Elementary School as students, faculty, staff, and school family members participated in a variety of service learning activities. We supported the Leukemia Society with Pennies For Patients, the March of Dimes, Relay for Life, the United Way, and the American Red Cross with House for Haiti. To promote good citizenship in all of our students, weekly students were recognized for "Bee-ing Their Best" and participated in celebrations each grading period.

Clinton Elementary School strives to encourage parents and members of our community to become involved in the education of our students. We are pleased that our PTO supports our various Family Nights and members within our community volunteer as mentors to our students.
